

# TOGETHER WE PREVENT CORONAVIRUS 2019 (COVID-19)

## SYMPTOMS OF THE VIRUS INFECTION

Fever

Cough

Signs Of Flu

Respiratory Problem  
Or Shortness  
Of Breath

If you are suffering from  
symptoms of Coronavirus,  
please get immediate  
treatment at government  
or private hospitals

## WAYS OF PREVENTION

Frequently  
wash hands  
with water and  
soap

Avoid from  
touching wild  
animals or  
unsheltered  
animals

Avoid from  
touching a  
person with the  
virus symptoms

Cover mouth  
and nose when  
coughing or  
sneezing

Avoid  
from consuming  
food which is raw  
or not well  
cooked
